WHY PARTICIPATE?

Florida Hospital Cardiovascular Institute

Provides treatment to more cardiology, vascular and female cardiac patients than any other hospital system in the country.

The Trina Hidalgo Heart Care Center for Uninsured Patients

Florida Hospital's outpatient heart clinic provides free medical treatment, medication, medical supplies, compassionate care and education to 650 uninsured and under served heart patients a year.

Patient Testimonials

"I am able to write, see, hear, and breathe because of the Heart Care Center and its staff. It is very hard having so many health problems and not being approved for medical coverage. I pray that God can help us realize life's plan is not to exclude anyone from receiving help."

"The Heart Care Center cared for me and my broken heart with gentleness, love, and care. Hard times in life are good times with the Heart Care Center."
